

## *Favor, in Thine Eyes?*

---

Where shall I go today,  
    What will my steps say?  
A life filled with your Word,  
    beats within a heart this day.  
Your Son Jesus lights my way.  
Carried on the winds of the  
    Holy Spirit.  
A world full of sin, berates one  
    with a harshness of a violent wind.  
But in the stillness of a soul, will it  
    be pages of your Word that unfold?  
Steps of a soul, will they find favor  
    in thine eyes?  
In obedience we patiently await  
    your return.  
Favor found in the arms of a  
    sovereign God.  
A life blessed for our trust is in thee.  
Let the magnitude of your Word be  
    heard in our steps today.  
Gentleness, love, patience,  
    perseverance and self control.  
Steps of a soul . . .  
    as the pages of life unfold.  
Let your glory illuminate a soul that  
    has given you full control.

Merciful in all your ways . . .

as this world tries to blow us away.

Favor from an almighty God . . .

steps of a soul firmly planted  
in His way.
